2 <title>nayan</title>
3 <head>hello world!!!</head>
4 <body>
5 <h1>hiiiiii frinds</h1>
6 <h2>asjdgfjkhsagdfkh</h2>
7 <p>A paragraph is a number of sentences grouped together and relating to one topic.
  Or, a group of related sentences that develop a single point. This definition shows
  that the paragraphs of compositions are not mere arbitrary divisions. The division of
  a chapter into paragraphs must be made according to the changes of ideas introduced.
